

Nearly Lost Mascot

On Thursday June 18, the helmet for the Pedaling for Parkinsons (PFP) cycling Team Mascot – The stuffed flopsie horse (12 inch) - was found on the trail.

So someone out there cared enough to be carrying the horse with them on their walks in hopes of seeing the Blue Tandem and getting the horse back to the Pedaling for Parkinson's cycling team.

For this exceptional person, here is who to call.

Call Ken
